

## Your School Canteen is going

### Cashless

We are delighted to announce that we are introducing a fully cashless payment system in your school.

Rather than giving your child cash each day, you can simply top up their cashless card directly from our Lunchclub App.

In the canteen simply use the card, instead of cash, to purchase food.

- Simple Setup and Top-up through the App
- Never lose cash
- Purchase history available in App
- Block lost card
- Replace lost card
